

JOAN OLTMAN-SHAY

FORMAL EDUCATION

- Scripps Institution of Oceanography (S.I.O.), La Jolla, CA
 - ◊ 1985 Ph.D. in Oceanography
 - ◊ 1980 M.S. in Applied Ocean Sciences
- University of California, San Diego, CA
 - ◊ 1978 B.A., Major in Applied Physics & Electrical Engineering with Minors in Applied Mathematics and Cultural Anthropology

GRADUATE DEGREE ADVISORS

- M.S. - William Hodgekiss, S.I.O., Marine Physical Laboratory
- Ph.D. - Robert T. Guza, S.I.O., Center for Coastal Studies

EMPLOYMENT HISTORY

- 2002-present: President and Senior Research Scientist, NorthWest Research Associates, Redmond, WA
- 2001-2002: Vice President and Senior Research Scientist, NorthWest Research Associates
- 1993-2001: Senior Research Scientist, NorthWest Research Associates
- 1991-1993: Lecturer, University of Washington, School of Oceanography
- 1991-1993: Senior Research Scientist, Applied Physics Division, QUEST Integrated, Inc. (formerly Flow Research, Inc.), Kent, WA
- 1990-1991: Research Scientist, Flow Research, Inc., Kent, WA
- 1986-1990: Assistant Professor of Research, College of Oceanography, Dept. of Geology, Oregon State University, Corvallis, OR

PROFESSIONAL AFFILIATIONS

- Since 1991: Affiliate Assoc. Professor, College of Oceanography, University of Washington, Seattle, WA
- 1990 - 1995: Affiliate Assistant Professor, College of Oceanography, Dept. of Geology, Oregon State University, Corvallis, OR
- Since 2003: Member, Geological Society of America
- Since 1990: Member, American Meteorological Society
- Since 1989: Member, The Oceanography Society
- Since 1984: Member, American Geophysical Union
- Since 1977: Member, Phi Beta Kappa

PROFESSIONAL SERVICE

2006-2009: Member, Committee on the Review of the Louisiana Coastal Protection and Restoration (LACPR) Program, National Research Council, Water Science and Technology Board, The National Academies

2007-present: Member, NSF Science Technology Centers, Center for Coastal Margin Observations and Prediction, External Advisory Board

2008-present: Member, Lower Columbia River Solutions Group, Science Advisory Team

2008-present: Member, Partner's Group, SW Washington Littoral Drift Restoration Project

2009-present: Northwest Association of Networked Ocean Observing Systems (NANOOS), Governing Council

1996-2010: Editorial Advisory Board, Elsevier Science Publications

2001-2008: Member, Coastal Engineering Research Board (CERB), United States Army Corps of Engineers (USACE)

2004-2006: Member, Ocean Studies Board (OSB), National Research Council, The National Academies

1993-2006: Editor (U.S.), Nearshore and Coastal Oceanography, Pergamon Press, United Kingdom

2002-2003: Member, Enabling Ocean Research in the 21st Century – Implementation of a Network of Ocean Observatories, Committee on the Implementation of a Seafloor Observatory Network for Oceanographic Research, National Research Council, Ocean Studies Board, The National Academies

2002: Participant in the Ocean.US (NOPP) Workshop on “An U.S. Integrated Ocean Observing System”

1998-99: Chairperson, Committee to Review USGS Coastal and Marine Geology Program, National Research Council, Ocean Studies Board, The National Academies

1997: Member, Steering Committee for the Symposium on Oceanography for Naval Special Warfare, Ocean Studies Board, National Research Council, The National Academies

1992-1997: Associate Editor, Journal of Geophysical Research - Oceans, United States

1995: Member, Naval Meteorological and Oceanography Command panel on present coastal and littoral ocean prediction capabilities

1994: Member, Committee on High Priority Science to Meet National Coastal Needs, National Research Council, Ocean Studies Board, National Academies

1989: Chair, American Geophysical Union Special Session: Nearshore Processes

ACADEMIC COMMITTEES

- 3 - Doctoral, Oregon State University, College of Oceanography
- 3 - Doctoral, University of Washington, College of Oceanography
- 1 - Masters, Oregon State University, College of Oceanography
- 2 - Masters, University of Washington, College of Oceanography
- Computer Facilities, Oregon State University, College of Oceanography
- Academic Faculty Senate, Oregon State University, College of Oceanography

ACADEMIC COURSE INSTRUCTION

- Intro. Phys. Oceanogr.: Fluid Dynamics and Waves - undergraduate/senior level, University of Washington
- Waves and Beaches - general/undergraduate level, Oregon State University

- Time Series Data Analysis for Physical Oceanographers - graduate level, Oregon State University
